It is the intention of Wasatch Mountain Excavating, Inc, starting on March 20, 2008 and concluding on April 3, 2008 to fully reclaim the surface mine officially known as Elite Rock West (Wasatch Graystone Rock Products). Reclamation will consist of backfilling all excavating areas and reseeding the disturbed area with a surface mix bought from a local nursery.

A handwritten signature in blue ink, appearing to read "Brett Bryson", is written over a horizontal line.
